Hi there,

first of all, we hope you had a great start in the new year and we wish you all the best for 2009.

### **Seminars:**

The [Auckland seminar](#) registration is closing this week. In case you would like to attend and haven't yet registered, please contact us immediately.

Registration for the [Christchurch seminar](#) will close early February.

### **Hoof Boots:**

Easycare Inc in the USA have increased their prices again for 2009. This together with a weaker NZ\$ doesn't make a good combination and NZ boot prices will have to go up, too. However, have a look at the [online shop](#) as most of it is still tagged with the old prices.

Cheers,

Thorsten
